Academic Expert Guidance Talk

23rd March 2022

To enrich the knowledge of Physics among students, we have inaugurated Physics Study Circle, where students can envisage innovative, information time and entertaining activities and events. We guide our students to face their future without fear.

Every year a new Study Circle of Physics Students is formed by the Department of Physics so that the group members can organize the academic activity as well as the cultural events for lustering the overall development of students. Study Circle is a student-centric activity and all the positions in this group are held by students selected on their academic and extra-curricular performance. This year the Physics Study Circle is inaugurated on 23rd March 2022.

By grabbing this occasion, we started our first and foremost activity by organizing an Academic Expert Guidance Talk for UG and PG students. Invited Speaker Dr. G. T. Lamdhade, Professor, Vidyabharati Mahavidyalaya, Amravati guided the students on the topic “Network Theorems”.

The beginning of the programme was done in special manner by felicitating the student for this outstanding achievement. One of our student from B. Sc. III, Mr. Furkan Ahmad Khan, is awarded with National DST-INSPIRE Scholarship for choosing Basics Sciences as a Career Option, sponsored by Government of India, Ministry of Science and Technology. His felicitation was done by all the dignitaries on the dice. Like the “cherry on cake”, this moment highlighted the entire programme very adorably.

Vice-Principal Dr. S. V. Chakave, Head of Physics Department and Professor in Physics Dr. K. K. Hurde, IQAC Coordinator and Professor in Physics Dr. P. D. Bageshwar, Assistant Professor in Physics Miss. D. D. Kothekar and all Contributory Teachers were present for the Inaugural Programmes. Total 94 students from UG and PG were attended the programme.

Miss. Samiksha Dudhe (B. Sc. III) and Miss. Divya Alone (B. Sc. III) hosted the event very nicely and Miss. Siddhi Mahajan (B. Sc. III) proposed the vote of thanks.
